Experience

Freelance UI/UX Designer
2023 - 2024

- Collaborated with individuals on "DarEjar" villa rental app project.
- contributing to the development of user-centered solutions.
- Conducted client meetings to understand project requirements, goals, and target audience.
- Demonstrated flexibility in adapting design solutions to meet the unique needs and preferences of the client.
- Independently managed end-to-end design processes, including user research, wireframing, prototyping, and high-fidelity UI design.
